Security

If you come:

- You will be challenged to live for God!
- You will be renewed in your walk with God!
- You will be strengthened for your future!
- You will grow in discernment for your daily life!
- You will find honest answers to difficult questions!
- You will make strong, life-long friendships!
- You will have a lot of fun!

When you are constantly trying to make right choices, you can get weary and life can begin to blur. When you put time aside for a retreat or camp, you become refreshed and suddenly your life is back in focus. You can now see clearly through God's lens instead of your own. The whole direction of your life can be rerouted during a time like this. You don't want to miss it! Come be encouraged and renewed!
